

Sale Name: EquiAlt Rolls-Royce Cullinan

LOT - 2019 Rolls Royce Cullinan

Description

2019 Rolls-Royce Cullinan

The first such offering from the brand, the Cullinan has been arriving in limited numbers since early last year. Built by hand in the best traditions of old-world coachbuilding, each example represents thousands of hours in leatherwork, paint, and metal shaping. Their first All Wheel Drive system is combined with All Wheel Steering and their signature “Magic Carpet Ride” suspension. The divorced sway bars are coupled to electric actuators to mitigate any bumps, or you can hit the trails with more articulation than you have ever experienced. Under the hood is a new 6.75-liter V12 with twin turbos. Rated at 563 horsepower and 627 lb-ft of torque your reign will not be contested on-road or off.

VIN: SLA689X56KU114239

Milage: 4844.4
